

Tupper Arts
Adirondack Woodcrafts Show
July 14 - July 30, 2020
Information for Interested Artisans

Tupper Arts is showcasing local woodcraft artisans in this Adirondack Woodcrafts Show. We want to feature all types of woodcraft, from rustic furniture, canoes and guideboats, to wooden spoons and bowls.

Artisans will have the opportunity to exhibit their items, or to offer their woodcraft for sale. There is a registration fee of \$20 for up to 4 large pieces per artisan, or 10 tabletop items. The Arts Center charges a 25% commission on all sales, so remember to factor that in when pricing your items.

Items can be dropped off at the Tupper Arts Center anytime between 11am and 5pm on Sunday July 12th and Monday July 13th. To arrange another drop off time, please contact Susan Delehanty at susanmaria.delehanty@gmail.com, or 518-354-9204. All items must be picked up by the closing weekend, July 31st.

If Tupper Arts has to make any adjustments for this event due to precautions to prevent the spread of the corona virus, we will post any changes on our website, www.tupperarts.org, and email those artists who have already registered.
